## ANNOUNCEMENTS

We are authorized to announce  
HON. E. BULLOCK  
as a candidate for Representative from the Seventh Legislative District, composed of Rockcastle and Laurel counties, subject to the action of the Republican party at its primary election on August 2, 1919.

The democrats of Kentucky must be on guard. The day of political bosses is gone and when we see them struggling to get hold of the party, it becomes our duty to give notice to the voters and sound the alarm. This year the people must select their own candidates. They must not be selected in a cut and dried convention. It must not be in any would-be boss's back office.

The republican bosses are already preparing a slate and have called a convention to meet in the city of Lexington to ratify their slate and thereby make the

history and of no real effect. By so doing, no one, however, meritorious and deserving, will have any chance at the August Primary, unless named by the republican convention, and no one will be named in the republican convention unless he be selected by the bosses and placed upon the slate.

The free people of Kentucky will not stand for this, as they know it is contrary to the spirit of fair play. If the republicans of the state accept a ticket named that way, it gives life and encouragement to machine politics and gives to a few political bosses the power to select their candidates and name the ticket for them. This our people do not want and the free and independent voters of this state should be on the alert to repudiate and condemn a ticket selected in that way. In other words, down with the bosses, down with the political machines, down with political tricksters, and up with the cause of a free people and a fair ballot, letting the best man at all times win.

W. T. SHORT, of Richmond, is a candidate for State Senator from this district. The seven-tenth will sure send a republican and therefore, we can not see where much improvement could be made, over Mr. Short. We hope to see Rockcastle give him a hearty support.

## HISTORY OF KENTUCKY'S PART IN THE WAR.

The Kentucky Council of Defense wishes to keep before the public the historical work which is now being done under its supervision in every County in the State, and to ask the assistance of every person who has a relative in the service.

County Historians have been appointed in practically every county in the State. The first work which they are undertaking is to get a record of every person in the service from their county, and to write this record on a WAR RECORD sheet. These sheets will contain the name and address of the soldier, his age, the camp where he received first training, military address, promotions, casualties, etc.

It is said that the record of each man in the Civil War was not obtained until a few years ago. But if the relatives of soldiers will lend their aid now, while information can easily be obtained, the records of each man in the service from Kentucky can be made within a few months.

These records, when completed will be bound in permanent form and made a part of the records of the county.

It recently came to the attention of the Kentucky Council of Defense that a Kentucky boy had given his life in the performance of a most heroic act, for

which he has been awarded the Distinguished Service Cross after his death, and that there was no permanent record of this award in his county, and that his parents had destroyed all letters they had received from the Government, not understanding the nature and value of the letters.

Fortunately, the State Council had a record of this award of the Distinguished Service Cross, and the citation, which reads as follows:

"Private ——— displayed great coolness and courage under a heavy barrage when he unhesitatingly went forward to destroy wire entanglements, and continued this extremely hazardous work until killed."

This information has been furnished to the Historian of this boy's home county, and his name and record, together with this citation for bravery, will be made a part of the permanent records of the county.

The County Historian of this county wants the name, address, and military record of every person in the service from the county with a statement of casualties, promotions, newspaper articles, etc.

If you want the record of your soldier boy to be placed in the records of your county go at once to the Historian of your county, get a WAR RECORD blank, fill it out and return it to the Historian. This appeal is directed particularly to the mothers and sisters of soldiers.

## KIDNEYS WEAKENING?

## LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health, with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1896 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders. Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.
